Juvenile Transition and Activation Planning (J-TAP) OH# 1

IPFYouth has developed a weeklong training program targeted to jurisdictions that are in the process of transition to and activating a newly constructed juvenile facility. The program, which uses intensive graphic presentations, hands-on exercises and a facility tour, is presented yearly. Attendees include teams of 5 to 6 directors, managers, fiscal and operational staff members from each new facility.

The program, presented by IPFYouth and well-known specialists in their areas, covers the following subjects:

- Transition and Activation Planning Overview
- Creating A New Culture
- Revisiting Vision and Mission
- Program Plan for Youth
- Facility Tour
- Scenario Development and Validation
- Policies and Procedures
- Post Orders
- Scheduling
- Transition Training and Move Logistics
- Examining Transition and Activation Costs
- Action Planning
